SMOKEY BEAR HEADQUARTERS

WASHINGTON, D.C. 20252

Dear Friend:

For over 30 years, people like you have worked very hard to help me prevent forest fires. We have done well together, but we can do even more in 1979.

This guide describes the materials prepared for my 1979 campaign. Some of the items have been around for many years, others are new!

With the cost of printing rising it may be tough to finance the stocks we need to cover all the opportunities we have to push forest fire prevention. Please think about your own opportunities and problems and order the items that will best meet your needs.

Not included in this campaign guide are the "mass media" materials for radio, television, newspapers, outdoor and transit advertising, and magazines. These are distributed direct to the media by The Advertising Council. The media donate their time and space to forest fire prevention. Last year their donations were worth more than \$35 million. Local contacts were important in making that figure so impressive.

The key people in my campaign are people like you who want to help.
REMEMBER . . . ONLY YOU CAN PREVENT FOREST FIRES!

Your friend,

S M O K E Y
